## THE ENTERTAINMENT AT JAH-VILLE.

The 17th. has come and gone, and it cannot be looked back to in any other respect, but a day long to be remembered by the people of JAH-Ville and all who chance to be here. The day was cool, and the Arbor most beautifully decorated, and at ten O'clock, according to previous arrangements the program was commenced by singing: After a song had been sung, the Brushy Knob School, in connection with a few scholars from Stubbs School, numbering in all about 40 scholars, headed by Mrs. Williams teacher of Brushy Knob, and Mr. Williams her husband teacher of the Stubbs School marched into the large Arbor single file. In front of the School was born a large American Flag by Mr. Charlie Dake, which was handed to the Ed. of the CRESSET for safe keeping during the exercises, the Flag was received and cared for by placing it in the center of the rostrum in view of all. And in this act, there was one of the grandest displays of Union that man could witness.

1st. The Flag represented the Grand Union of the United States. 2nd. The two Schools headed by their teachers, who were man and wife, represented the Grand Union that God Himself spoke of to man and wife, saying, they are twain in one flesh. 3rd. The two Schools joining in with the Bible School and our School and Teacher at this place, in the Entertainment, made another Grand Union worthy of note. After the two visiting schools were seated the choir sang, in greeting to them this song:

### GREETING SONG.

- Our Neighbor School Scholars, has gathered once more,  
Its numbers we greet, as we never before;  
The principles of its teacher, shall never be furled,  
For those sociable principles, will unite all the world:  
Chorus:  
Sing and rejoice, This union is on its bright way,  
Marching along, To its beautiful mansions of day.
- We fight against division, and battle with wrong,  
Our sword is the Bible, both trusty and strong;  
With Union as our watchword, and faith as our shield,  
This armor to division, we never will yield.  
Chorus.
- With your teachers as Captains, our voices we raise,  
And join with our teacher, in singing God's praise:  
His soldiers we are, and His soldiers we'll be,  
'Till we lay down our armor, and death set us free.  
Chorus:

Composed for the purpose, by Rev. L. S. Garrett teacher of the Bible School at this place, after which the program was taken up as follows:

Last came the drawing of the Quilts: No. 1 Quilt was drawn by, Mr. John Booker, and No. 2 Quilt was drawn by Mrs. Len Myers: Which ended the program of the day:

There was not a jar of any kind; nor a drop of intoxicating drinks on the ground as far as the Ed. could find out—But a real day of enjoyment by all, and everybody; and there were several hundred people on the ground.

Rock Springs was well represented, and the Dunsmore school was represented, and its teacher Miss Fielden was here. The sun passed down at the close of the day upon the enjoyments and blessing of the labors of the following committee: Mrs. Lydia Patterson, Lucy Franklin, Mary Myers, Nellie Sweragin and Mattie Bowers; Organist Mrs. Lulu Garrett, Program conducted by Nellie Sweragin and Mattie Bowers, who can be proud of their hard labors in this great cause.

### LORINE Ark. ITEMS.

#### "BY ALBERT"

Kind Ed. will you allow me space for my few lines.

Being that this is my first time I would like to become one of your regular correspondence.

I can't write much for I don't know the country I am a stranger yet.

Well I guess I must say something about my trip down here we went up to Cedar Gap I will tell you I saw great sight, when we was walking the railroad in places it was so high that I thought that we was going to the bottom.

On my trip I got to see those engines that had a wreck; I tell you they looked scandalous they was broken all up to pieces.

We see movers passing coming from Missouri, I wonder where they are going too.

Kind Editor I would have written sooner but I have just got settled down now, my partner is working on the railroad, I can't write none for him so I will let him do his own writing.

Tell my friends that I got to cross the Pocahontas bridge and that was one great sight. That is all that is worth telling about my trip.

Kind Ed. I know nothing to write this time but if this escapes the wast basket I will try to write more next time.

So I will close hoping that we will meet again either on land or in heaven.
